

Name:Mounica Reddy Poondla

Student ID: 16143089

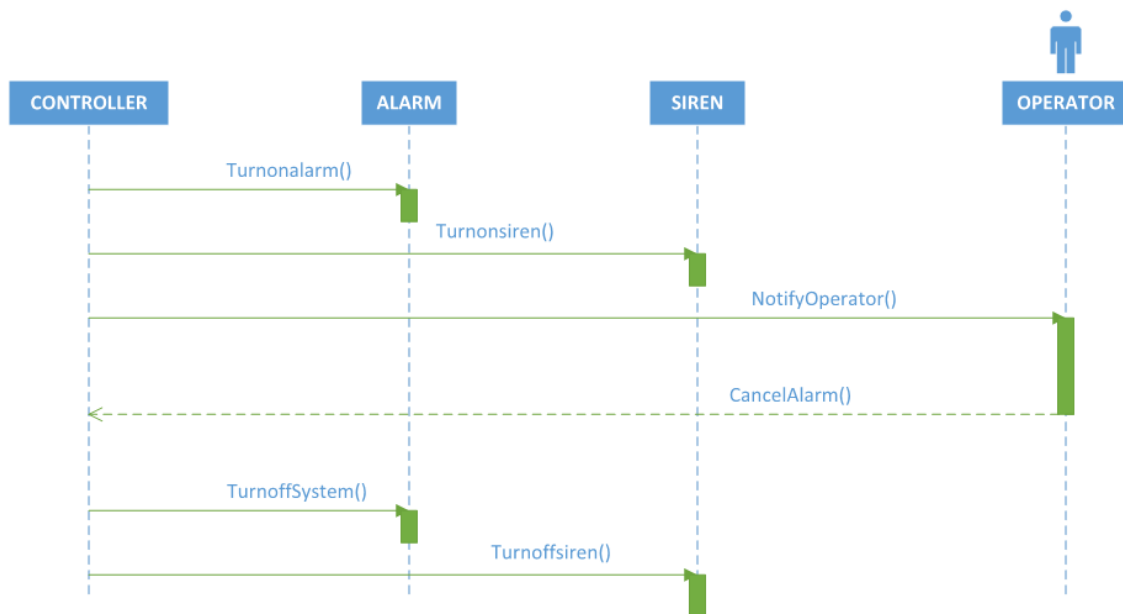

Lab1 Report

1) Design the Class Diagram/Sequence Diagram using Visio for the InClass Exercise.

(a)Class Diagram:

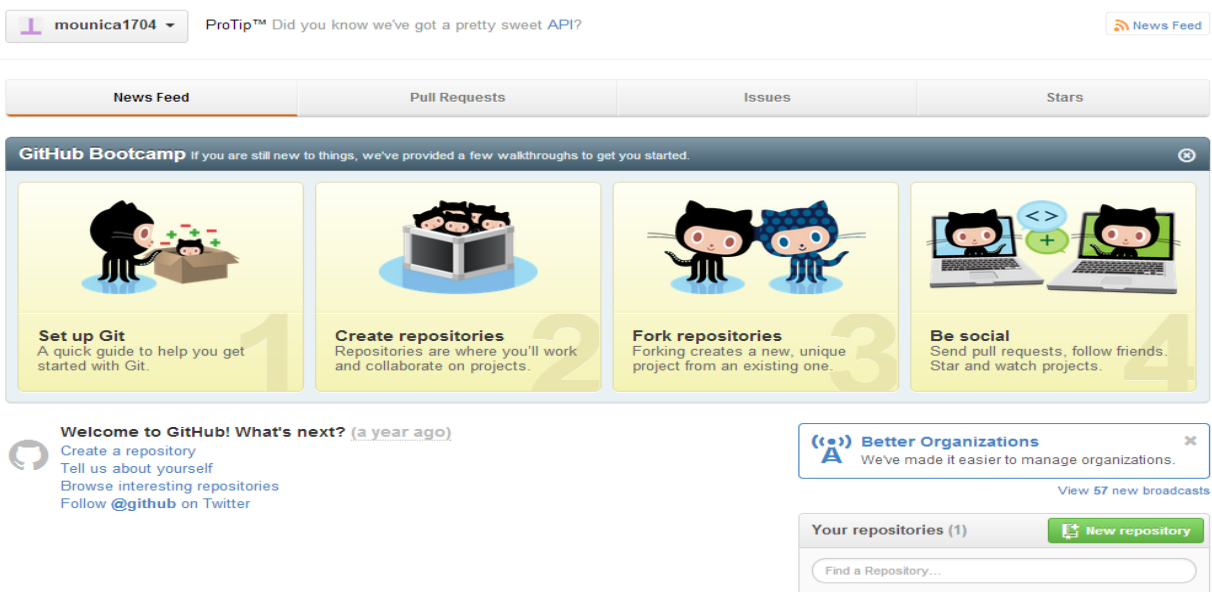

(b) Sequence Diagram

2) Create a GitHub account and post GitHub ID to the Lab 1 site.

I have created the github account in www.github.com

My GitHub ID is mounica1704.

Quick setup — if you've done this kind of thing before

 Set up in Desktop or

HTTP SSH

We recommend every repository include a [README](#), [LICENSE](#), and [.gitignore](#).

Create a new repository on the command line

```
touch README.md
git init
git add README.md
git commit -m "first commit"
git remote add origin https://github.com/mounica1704/project1.git
git push -u origin master
```

Push an existing repository from the command line

```
git remote add origin https://github.com/mounica1704/project1.git
git push -u origin master
```

Hey.. This is Mounica.

External Protocol Request

Google Chrome needs to launch an external application to handle github-windows: links. The link requested is github-windows://openRepo/https://github.com/mounica1704/project1.

The following application will be launched if you accept this request:

"C:\Users\MounicaReddy\AppData\Local\Apps\2.0\K3C2O806.MJ4\QHMVW129.NP6\github-tion_317444273a93ac29_0001.002_5f2f02fff55a2354\GitHub.exe" -u="//openRepo/https://github.com/mounica1704/project1"

If you did not initiate this request, it may represent an attempted attack on your system. Unless you took an explicit action to initiate this request, you should press Do Nothing.

☐ Remember my choice for all links of this type.

3) Create a ScrumDo account and define task/plan/delivery for your lab 1 assignment. Also post your ScrumDo ID to the Lab 1 site.

I have created Scrumdo account in www.scrumdo.com

My scrumDo ID is mounicapooondla.

The image displays two screenshots of the ScrumDo web application interface, showing the user's account and project management features.

Top Screenshot: Project Overview

- Header:** ScrumDo logo, search bar, and user profile (umkc, project1, mounicapooondla).
- Project1 Dashboard:** Shows "Total Stories" as 0.
- Sidebar (umkc):** Contains links for Dashboard, Subscription, Track Time, Members, Projects, Files, Time Sheets, Organization Admin, Teams, Export, and Releases.
- Projects Section:** Lists "project1" with a "Switch Organization" button.
- Activity Feed:** Shows a message: "3 minutes ago mounicapooondla created project project1".

Bottom Screenshot: Backlog View

- Header:** Same as the top screenshot.
- Backlog:** Shows "Stories" as 2 and "Total Points" as 2.
- Stories List:**
 - Story #1: "As a student, I want to complete Lab1 assignment so that I have experience to work on my project. In this assignment, I will wok on scrum Do, Github and Visio. I will gain some experience with his exercise." (Status: Todo, 0 Comments)
 - Story #2: "As a student, I want to design an UML Class diagram so that I can complete task 1." (Status: Todo, 0 Comments)
- Sidebar (umkc):** Same as the top screenshot.
- Projects Section:** Lists "project1" and "project2" with a "Switch Organization" button.
